A Special Small Group Tour for
Alumni and Friends of Georgia Tech

Dear Georgia Tech Alumni and Friends,

We invite you to join us on this special 22-day small group journey to Australia and New Zealand. The Lands Down Under offer visitors a wealth of spectacular natural scenery and cultural diversity.

Begin the tour in cosmopolitan Sydney with a three-night stay. Enjoy lunch cruising through Sydney Harbour, followed by a tour of the iconic Opera House. Then, continue to the storied Outback with a two-night stay at Ayers Rock. Watch the sun set over the massive sandstone monolith. From there, continue to tropical Cairns. This is your gateway for a full-day excursion on a semi-submersible vessel out to the Great Barrier Reef. Departing Australia, you'll then fly to New Zealand. Beginning on the south island, you'll tour English-accented Christchurch, New Zealand; and spend two nights in New Zealand's remarkable Mt. Cook National Park. After these explorations, cruise stunning Milford Sound and discover New Zealand's "adventure capital," Queenstown. Experience Maori culture in geothermal Rotorua before the tour concludes in vibrant Auckland. For those who wish to spend more time in the "City of Sails," an optional 3-day/2-night post-tour extension is available.

We are pleased to be sharing this departure with alumni and friends from the University of Kansas. Space is limited to 24 guests from both schools, and will fill quickly. Please call today to reserve your place on what promises to be a remarkable experience!

Sincerely,
