ITINERARY

June 19: Boston, Massachusetts - Included Hotel Stay

Ease into your adventure with an included hotel stay in Boston, a city where red-brick row houses, harbor views, and centuries of American history shape the streets.

June 20: Boston, Massachusetts - Embarkation & Begin Cruising

Set sail from Boston, where church steeples and city life meet the harbor skyline. Working docks, Revolutionary sites, and the open Atlantic reflect a city defined by seafaring commerce and independence.

June 21: Provincetown, Massachusetts

Provincetown sits at the tip of Cape Cod, where dunes and lighthouses stand alongside galleries and a deeply rooted creative culture. Its harbor has welcomed fishermen, writers, and painters for generations, giving the town a unique energy unlike anywhere else along the Massachusetts coast.

June 22: Plymouth, Massachusetts

Plymouth holds a central place in early American history, with landmarks tied to the Pilgrims and colonial settlement. Plymouth Rock and the Mayflower II continue to mark the town's longstanding place in the nation's founding narrative.

June 23: Mass. Maritime Academy, Massachusetts

The Massachusetts Maritime Academy campus sits along Buzzards Bay, training generations of mariners and engineers. The academy's training vessel, the Kennedy, regularly sails as part of cadet instruction, continuing a long-standing tradition of hands-on seamanship.

Newport, Rhode Island

June 24: Newport, Rhode Island

Newport is known for its Gilded Age mansions and ocean views. The town's popular Cliff Walk traces the rocky shoreline where runners, photographers, and visitors take in the grand estates from their ocean-facing side.

June 25: Martha's Vineyard, Massachusetts

Martha's Vineyard is an island of fishing villages, shingled cottages, and long sandy stretches of coastline. Farm stands and oyster beds sit alongside quiet roads, while ferry arrivals and bike paths set a slower pace than the mainland.

June 26: New Bedford, Massachusetts

New Bedford rose to prominence as one of the world's leading whaling ports during the mid-19th century. Today, its cobbled streets, preserved waterfront, and maritime museums reflect a legacy that inspired Herman Melville's *Moby Dick*.

June 27: Boston, Massachusetts

Return to Boston, bringing your voyage full circle in one of New England's most historic port cities.

Port locations and times may be subject to change.

ITINERARY HIGHLIGHTS MAY REQUIRE A PAID SHORE EXCURSION AND ARE NOT INCLUDED IN THE CRUISE FARE. COMPLIMENTARY EXCURSIONS ARE SUBJECT TO CHANGE.
