Walk 2-4 miles on average per day during scheduled activities, often on uneven terrain or cobblestones; occasional long and/or steep walks from motorcoach drop-off to sights and hotels; uneven natural terrain at Mt. Etna and at Agrigento and Pompeii archaeological sites; steep grades while walking in Taormina and Matera; many stairs of varying height throughout the tour; embarkation/disembarkation from multiple boats; several long days of travel via motorcoach; Locanda di San Martino hotel (Matera) does not have an elevator that has access to each floor; due to the unique nature of Taormina, the location of our hotel, Eurostars Monte Tauro, requires walking a short, steep hill to reach the pedestrian street
